

Belt

È la perfezione geometrica la chiave estetica di questa famiglia di tavoli bassi disponibili in diverse dimensioni per ciascuna forma. Realizzati con la fascia perimetrale nelle preziose finiture artigianali dell'ottone bronzato o dell'acciaio platinato, i piani presentano varie finiture che spaziano dal vetro, allo specchio, alla lacca o al marmo. Vibrante la versione Mirror interamente rivestita con le superfici riflettenti dello specchio.

The formal key of this family of low tables is the geometrical perfection: they are available in different sizes for each form. The perimetral side panels are available in handcrafted finishes such as bronzed brass or platinum steel, with tops in various finishes, from glass to mirrors, lacquer and marble. Very vibrant the Mirror version, completely covered with reflecting surfaces.
